Negative thought patterns are repetitive, unproductive thoughts. Here your mind will often downplay what is going well. When a negative emotion arises you can take your attention to the thoughts. It is common to want to resist, change, ignore or try to be distracted from 'bad' thoughts and especially

Maybe you have blamed depression for your negative thinking but, I promise you, it is the Your subconscious mind does not question or argue with the validity of a thought. I wasn't able to do it because I was not changing my thought patterns. Your feelings are telling you that your thoughts are out of control, and you
